**PETITIONING THE COURT**

**[x] To modify the conditions of supervision as follows:**

9. The defendant shall reside for a period three (4) months at the Residential Reentry Center (RRC), 801 College Avenue, S.E., Grand Rapids, Michigan, with work release privileges and shall abide by the rules of that facility.

**CAUSE**

Mr. Adams has recently violated the terms of his supervised release. On February 10, 2012, Mr. Adams submitted a urine sample which was confirmed positive for synthetic marijuana by Alere Laboratories on February 21, 2010. On February 23, 2012, when confronted by the undersigned officer, Mr. Adams acknowledged using synthetic marijuana on one occasion. On February 23, 2012, Mr. Adams signed a Drug Use Admission Statement acknowledging he used synthetic marijuana on or about January 25, 2012 .

To his benefit, Mr. Adams is working at securing his identification and is participating in his drug and alcohol testing.

The above-mentioned modification would let Mr. Adams remain in the community, allowing him to continue working to secure identification while searching for employment. He would also be able to continue to participate in Moral Reconciliation Therapy and substance abuse counseling while a resident of the Residential Reentry Center (RRC). It would further allow Mr. Adams the chance to secure appropriate housing and build pro-social community activities.

If Mr. Adams were to violate any other conditions of supervision, the conduct will be reported to the Court immediately and additional action will be recommended. It should be noted, Mr. Adams has cooperatively signed a waiver form allowing the Court to order this recommended modification without a formal hearing. The waiver has been attached for the Court's review.

Respectfully submitted,
